I have known Hoofland's German Bitters favorably for a number of years. I have used them in my own family and have been so pleased with their effects that I was induced to recommend them to many others, and know that they have operated in a strikingly beneficial manner. I take great pleasure in thus publicly proclaiming this fact, and calling the attention of those afflicted with the diseases for which they are recommended to these Bitters, knowing from experience that my recommendation will be sustained. I do this more cheerfully as Hoofland's Bitters is intended to benefit the afflicted, and is "not a rum drink." Yours truly, LEVI G. BECK.

From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge and Christian Chronicle, Philadelphia,

Although not disposed to favor or recommend Patent Medicines in general, through distrust of their ingredients and effects, I yet knew of mo sufficient reasons why a man may not testify to the benefits he believes himself to have received from any simple reparation in the hope he may inducements to lenders as those issued by the piedged for payment, while the whole property While the 'government offers the most liberal terms for its loans, it believes that the strongest

I do this the more readily in regard to Heofland's Gorman Bitters, propared by Dr. C.M. Jackson, of this city, because I was projudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend. Robert Shoemaker, Esq. for the removal of this prejudice by proper tests and for encouragement to try them when suffering from great and long continued debility. The use of three bottles of these bitters at the beginning of the present year, was as followed by evinent relief and restoration to a degree of bodily and mental vigor which I had not felt for six ments before, and had almost despaired of regaining. I therefore thank God and my friend for directing me to use them.
